SNBP Management

Dr. D.K. Bhosale
Chairman, SNBP Group of Institutes

Dr. Vrishali Bhosale
President, S.E. Society

Ms. Devayani Bhosale
Director, SNBP Group of institutes.

Adv. Dr. Rutuja Bhosale
Director, SNBP Group of institutes.

Dr. Jayshree Venkatraman
Director, SNBP Group of institutes.

One of the major contributors to the changing and evolving landscape of Education in Pune is the SNBP Group which has its presence across the twin cities of Pune, the PMC and the PCMC. Dr. D. K. Bhosale, an astute educationist and a much revered professor of Chemistry at Wadia College founded this educational institution purely to redefine excellence in the field of Education.

"Every student is endowed with special qualities, which awaits exploration. Every student is a precious resource of the Future and it should be the primary responsibility of every Educational Institution to provide the right avenues to nurture the skill and talent which is innate in him/her. For every Arjuna, SNBP commits to offer a Dronacharya for, chiseling to finesse is what Education should do". says Dr. D.K. Bhosale, the Founder of SNBP Group of Institutions.

"The best biographies have their souls hidden in the childhood pages", says Dr. Vrishali Bhosale, the President, S.E. Society, Vice-President, Jawaharlal Nehru Hockey Tournament society, New Delhi. *"Every day in a child's life should be filled with excitement and enthusiasm"*. She adds. Her penchant for sports fueled her commitment to have SNBP host the National Level Hockey Tournament U/16 every year at Balewadi Stadium. Thanks to her vision, SNBP has a FIH approved Hockey Ground at Chikhli. "Dr. Dasharath Bhosale Hockey Ground" is the first Hockey International federation accredited ground similar to the ground in Balewadi. This ground is greatly benefitting players from across the city to hone their skills.

SNBP Group of Institutions was established in 1997 with its first school in Yerwada. The response that the school received in the first two years fueled the confidence of the Founders, Dr D.K Bhosale and Dr Vrishali Bhosale. The couple is blessed with two dynamic daughters, Ms. Devayani Bhosale and Adv. Rutuja Bhosale. While the elder of the two is equipped with a degree in Engineering and Management, the younger is a lawyer by profession. Both the daughters contribute as Directors at SNBP Group of Institutes.

Till this date SNBP has an alumni strength of more than 2 lakhs students from the varied branches located at Yerwada, Morwadi, Rahatani, Chikhali (Moshi), Bavdhan and Wagholi, Hadapsar (Handewadi), Mamurdi & Wakad. At present over 18,000 students are studying in these branches. New branches at Lavasa, Lohegaon, and Dhanori are expected to start shortly. Total 1500 staff members comprising the teachers and other administrative staff work in various SNBP Institutions.

SNBP Group of Institutions offer KG to PG Courses. The Schools offer CBSE, State Board & Cambridge Curriculum. SNBP College offers undergraduate programs in Science, Commerce, IT, Management, Law and Pharmacy. It is affiliated to Savitribai Phule University.

"Constraints are just exciting challenges to counter"- says the Chairman of this Institute, Dr. D. K. Bhosale who just defied his humble bearing to move on to realize his dreams. He strongly believes that Education is one of the most powerful tools to empower and he sees it as a mission to reach out this tool to the young generation. He owes his aspirations and his achievements to his parents. Incidentally, the Organization has been named after Dr. Bhosale's mother, Smt Subhadra Bhosale.

WHY SNBP PHARMACY?

Professional Enrichment

- Quality teaching-learning process Robust academic program
- Globally accepted credit based system Periodic review of performance
- Stimulate intellectual growth to crack various competitive exams
- Overall personality development

Explore Government Cell

- Access & process for application to applicable government scheme for jobs & funds resources
