Our Inspiration

Shri Kalappa Bhosale and **Smt Subhadra Bhosale** were a humble pious couple and lived in a small village near Solapur. The astute couple valued Education beyond basic needs and sent their children to various parts of Maharashtra to pursue their Education. Thanks to their earnestness, their son Dr. Dasharath Bhosale, the Chairman of the Institution did doctorate in Organic Chemistry despite being the first generation learner.

SNBP owes its very existence to the noble couple. SNBP is the acronym for Subhadra's Nursery Bhosale Public School..

From the Desk of Principal

I am honored to serve as the Principal of SNBP College of Pharmacy. I extend my heartfelt gratitude to our dedicated teachers, staff, and coaches whose efforts make our institution thrive. A special thanks goes to the management of SNBP for establishing this college, and to our students, who truly embody the spirit of excellence that defines SNBP College of Pharmacy. In a short span, we have woven a rich tapestry of educational activities from pre-primary to professional education. Our pharmacy program, launched in 2024, aims to provide high-quality, accessible professional education to all members of society. We recognize that students are the invaluable wealth of our nation, deserving of guidance, attention, and a values-based education to help them evolve into self-directed individuals.

At SNBP, we believe education goes beyond imparting academic knowledge; it shapes competent and resilient individuals for the betterment of humanity. We strive to create a nurturing, dynamic environment that fosters growth. Discipline plays a crucial role in this journey. Students who learn self-discipline can harness the true power of freedom. To achieve success, it's essential to prioritize collective goals over individual interests. Our greatest strength lies in our faculty a team of dedicated, experienced professionals who not only educate but also mentor our students through personalized support.

We emphasize industrial exposure by inviting industry leaders for guest lectures, organizing factory visits, and providing in-plant training opportunities. Our goal is to facilitate campus interviews annually to achieve 100% placement for students seeking employment post-graduation. Cultural development is also a vital aspect of education. Our college will host various extracurricular and co-curricular events. I encourage students to engage actively and for parents to stay informed about their children's progress and behaviors. Thank you for being a part of this educational journey. If you have any questions or need assistance, please feel free to reach out to me.

Warm regards,

Dr. Ravindra N. Chintamani
